Wie zit waar verstopt?

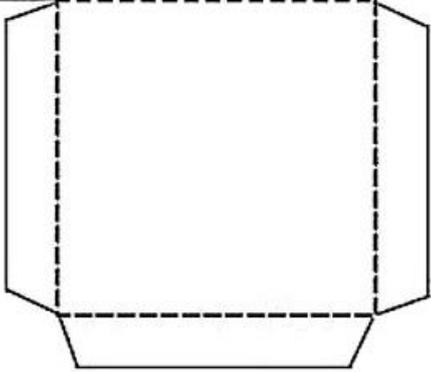

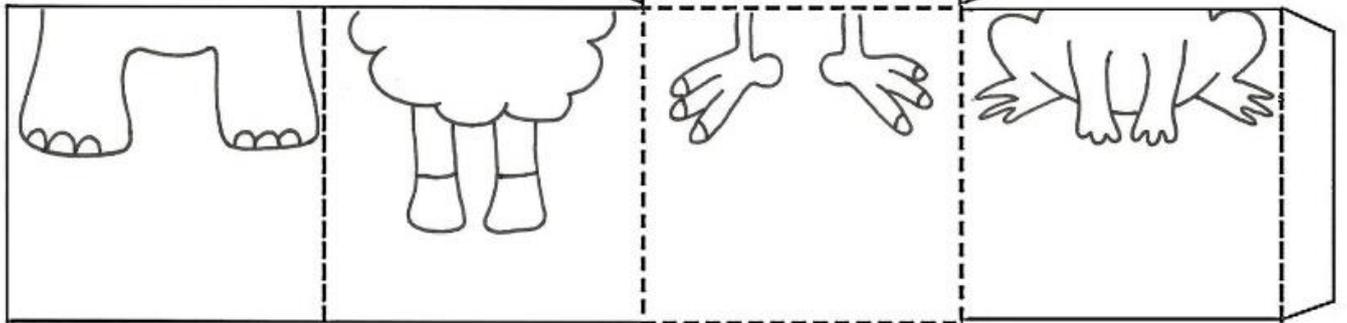

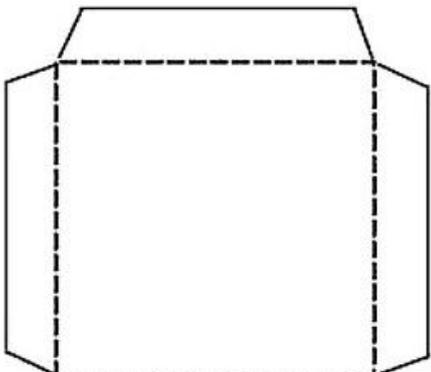

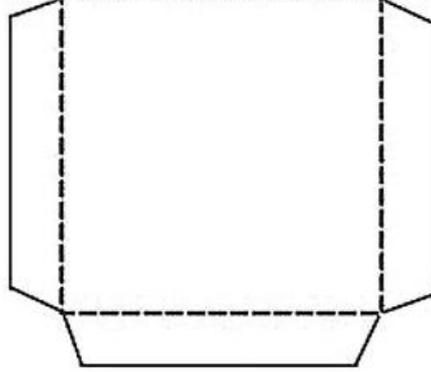

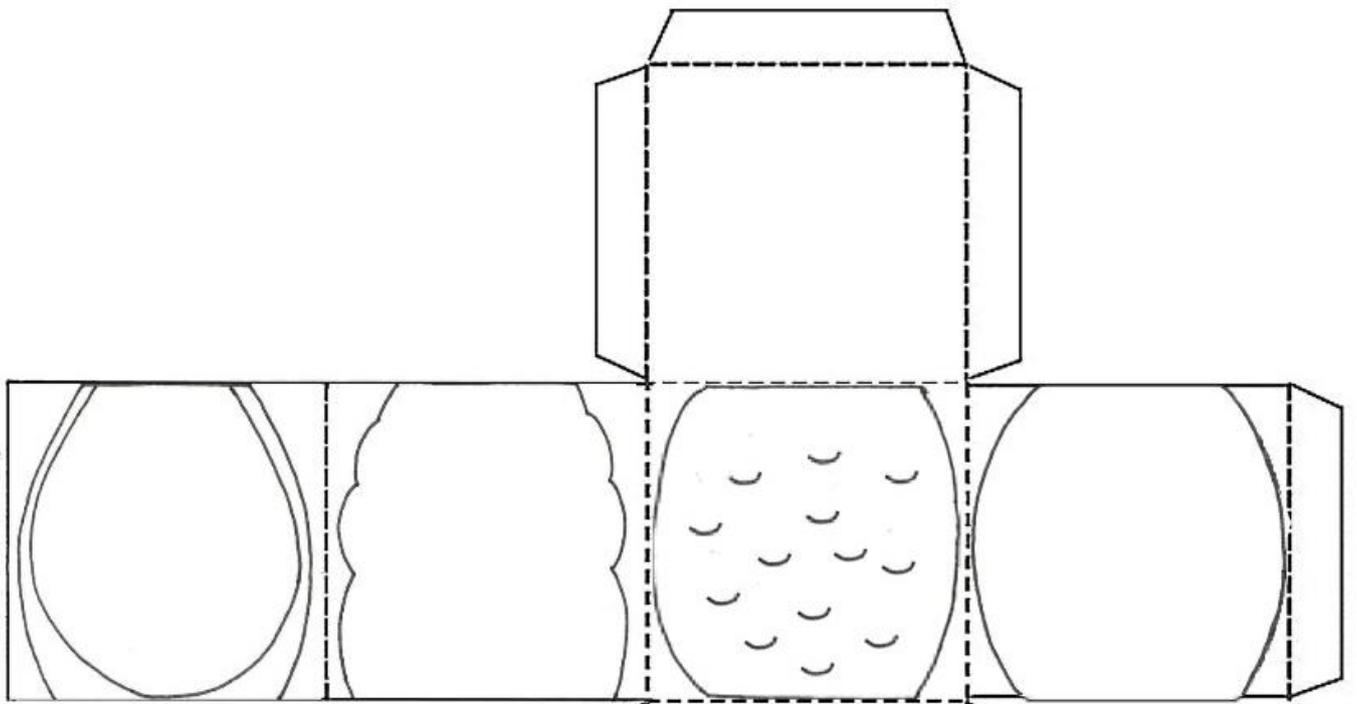

A circular photograph showing two women interacting with a large, colorful block tower. The tower is built from green and yellow blocks and features a large, stylized sheep character with a white woolly head, pink ears, and a yellow body. The woman on the left, wearing a teal tank top and yellow leggings, is leaning forward and adjusting a block. The woman on the right, wearing a red dress and blue leggings, is looking on with an expressive, open-mouthed face. The background is dark, and the scene is lit with green and blue stage lights.
